

VALLEY CHOIR, FOVANT

Meeting to discuss the future of the choir

Wednesday 31 August 2022 at 7.30 pm

Fovant Village Hall

All welcome

As a lot of you are aware choir was seriously disrupted during lock down and although some members have returned, a lot haven't. In addition, our choir master is unable to continue due to work commitments. We therefore have an opportunity to review what kind of choir we would like to have in the village and find an appropriate leader.

Anyone is welcome. There are no requirements to have an audition or read music. Just come and join in if you like singing or even if you want to give it a go.

In the meantime if you have any queries, suggestions, ideas please let me know. I can be contacted on
